Declaration of conformity to RoHS

Finkelstein Metals Ltd hereby declares that our brass products are in compliance with the Directive 2011/65/EU [including amendments: 2015/863/EU; 2018/741/EU; RoHS Restricted Substances (6 + 4)] and the exemption 6(c) "Copper alloy containing up to 4 % lead by weight".

NOTE: RoHS 0.1% lead amounts are exempted when used as an alloying element in steel, aluminum, copper. For more exemptions, see RoHS Annex III Lead Exemptions.
